

Know-edge Nutrition Seminar

Punjab, October 2016

A Know-edge Nutrition seminar was conducted by Avitech Nutrition Pvt. Ltd., at Sahnewal, Punjab on Monday, 3rd October 2016 in which more than 25 leading feed millers from Khanna, Patiala and other nearby locations were in attendance.

The seminar commenced with Avitech presenting on its Trace Mineral and Vitamin premixes for the dairy sector. It laid particular emphasis on the kind of attention and care given whilst manufacturing these key ingredients. Avitech's focus on sourcing of raw materials, heavy metal screening and other quality checks required to make premium quality premix was highlighted.

This was followed by a session on the importance of adding antioxidants to dairy feed and how it helps stabilize the quality of fats and oils to retain the nutritive value of finished feed. Avitech's Nutriox, feed grade antioxidant complex was showcased during this talk.

Finally, a professor from GADVASU, who is also a leading nutritionist, summarized the various topics presented during the day and highlighted focal points for making a good quality feed.
