

Avitech Visits VIV Russia

VIV Russia is the trade show for animal husbandry and processing in Russia and the C.I.S. countries. VIV Russia was held between May 23rd and 27th 2017, at the International Crocus Exhibition Center in Moscow. It showcased the industry's developments by the Feed to Food concept that brings together supply and demand within the complete animal protein chain.

Mr Sanjiv Malhotra, Director Commercial at Avitech, Visited VIV Russia and commented, “The show was professionally managed with a large number of International exhibitors participating. We had the opportunity to meet and interact with many international companies”.
