

Avitech Nutrition participates at the PDFA International Dairy & Agri Expo

Avitech Nutrition participated at the PDFA Exhibition held from 9th Dec 2017 to 11th Dec 2017 at Cattle Fair Grounds in Jagraon in Ludhiana.

Avitech Nutrition has a comprehensive range of dairy products like Avilact, Avsorb Forte, Nutriox, Inorganic TM Premixes and Vitamin premixes. The company showcased two new products called *Novatan* from *Techna*, France which increases protein availability in ruminants and *Foremins Dairy* which is a blend of *Organic Copper, Manganese and Zinc glycinates* from *BASF*, Germany along with cobalt.

The Avitech booth was visited by hundreds of dairy farmers who were eager to know about the new products of Avitech. Many feed millers and dairy consultants not only from North but even from other parts of the country also visited and they were happy to know about the new technologies being introduced which they felt would add further value to the dairy feed industry.
